Our ghoulishly spooky season event kicks off Friday, offering FOUR extra-scary haunted houses brought to you by [Fright Planet](#) plus six thrilling carnival rides, a Halloween-themed DJ for all your monster mash moves, a creepy crawly reptile exhibit *and* seasonal vendors and food trucks too. Event is FREE to attend — entry to haunted houses requires [advance tickets](#). Carnival rides, food and beverages will be available for purchase on-site. Please note that visitors under age 13 must be accompanied by an adult in haunted houses. **Ticket prices go up to \$39.99 on Friday — save \$10 if you purchase now.**

“Witch” haunted house will you visit first?

DISTORTED

DISTORTED is an industrial haunt full of roaming zombies, and they're looking for you! Can you escape this disorienting and twisted house?

Höbart's DOLL FACTORY

When Gustav Höbart can no longer find materials to make his dolls, he starts offering free tours of his factory to school children. Then the dolls start to look a lot like the visitors ...

BLACKOUT

What's scarier than a fear of the dark? A fear of what evil lurks when the lights go out. Are you brave enough to confront what lives in the dark passageways of the BLACKOUT Haunted House?

THE PAINTED ONES

Locals whisper about The Painted Ones — filthy, silent figures with smeared clown makeup who only appear when the lights go out. Once they've seen you — they don't forget your face.
